OFFICE & INDUSTRIAL INVESTMENT OVERVIEW

OUR FIRM

Livingston Street Capital, LLC is a boutique private equity firm with institutional capital partners focused on commercial real estate investments throughout the United States.

We are based in Radnor, PA and New York City and actively make investments across several investment strategies.

These strategies include: Office, Industrial, 55+ Active Adult, Independent Living and Healthcare.

Our company was founded by Peter Scola and Joseph Fox who have successfully led more than the \$20 billion of real estate transactions throughout their careers. Most recently, they have acquired more than \$1.1 billion of commercial real estate throughout the United States.

We have acquired a broad national portfolio of assets across all of our investment strategies.

OUR PHILOSOPHY

Our investment philosophy can best be described as focusing on the “needs” of corporations and individuals versus discretionary “wants.” As such, we focus on investments that we believe serve an essential need for tenants or residents, as applicable. While our approach is considered to be defensive in nature, we look for investments, especially in the Office and Industrial space, that we believe can achieve significant growth potential.

We believe this helps us preserve our invested capital throughout multiple economic cycles. As a result, we are generally long-term investors of our core and core plus assets.

OUR OFFICE & INDUSTRIAL INVESTMENT PROGRAM

Livingston Street Capital invests in both Office and Industrial properties with single-tenant profiles and locations that are vital to a firm’s day-to-day operations.

We typically seek mission critical properties in strategic locations as they generally experience higher renewal probabilities. We also look for situations in which tenants have invested significantly in infrastructure and capital improvements.

Livingston’s target asset types include company headquarters, critical operation centers and R&D properties in the Office sector and light manufacturing, strategic distribution and R&D in the Industrial sector.

OUR CAPITAL

Livingston Street Capital, LLC has dedicated capital commitments that give us the ability to respond to situations quickly. We maintain full control of the due diligence process which allows us to deliver continuity and certainty of execution.
